Fremont Lakes State Recreation Area

NEBRASKA
— GAME & PARKS —

Thousands of people enjoy the outdoor recreation available at Fremont Lakes State Recreation Area every year, whether they are campers, anglers, boaters, swimmers, picnickers or just like to stroll around the area.

Few state recreation areas offer more diversified recreation than this one, managed by the Nebraska Game and Parks Commission, just 3 miles west of Fremont on U.S. 30. The first land was acquired here by the state in 1926. Later acquisitions brought the total area to 667 acres of land and 210 acres of water in 20 sandpit lakes. Intensive management by the Game and Parks Commission began in 1960.

Facilities include modern campgrounds complete with sanitary dump stations; picnic tables, shelter houses, firerings, playground equipment for the youngsters, water, lights, modern restrooms and boat launch sites.

CAMPING

Campers will find a variety of camping experiences at Fremont from the modern camping with pads and 50 and 30 amp electrical hookups to primitive no-pad sites.

Camping fees are based on the facilities, and all vehicles in any camping area between 10 p.m. and 6 a.m. must pay the camping fee.

Pathfinder and Victory Lake campgrounds have 168 pads with electrical hookups. All camping in this area is on pads only.

The north side area (north of Military Avenue) has a few pads with electrical hookups, but the rest of the area is primitive or tent camping. This is a self-registration area.

SWIMMING/BOATING

The 20 sand pit lakes in the Fremont complex provide a locale for just about any type of activity fishing, powered and non-powered boating, swimming, picnicking or just loafing.

Unsupervised swimming is allowed only within the buoyed designated beaches. All swimming is at your own risk . . . no lifeguards are provided.

Power boating is allowed only on lakes No. 10, 15 and 20. All other lakes are open to non-powered craft and electric trolling motors.

For safety and to ease congestion, special restrictions apply to Victory Lake and to Lake No. 20. It is unlawful on both lakes to tow more than two individual skiers behind any boat.

FISHING

Fish species available in the various lakes include: Catfish, largemouth bass, crappie, redear sunfish and green sunfish. Rainbow trout are stocked in the fall and offer excellent ice fishing in Lake No. 2.

Periodically, fish populations may be controlled by removing undesirable fish species to maintain a proper balance. Fremont lends itself well to such management, because of the large number of lakes available to anglers. While some lakes are being renovated and later restocked, others can provide good sport fishing. Renovated lakes are always posted as such.

With its large beach, Lake No. 9 is primarily a swimming area. However, anglers occasionally take some nice catches of crappie and other species there. Fishermen will also find bass, crappie, bluegill and other species in the power-boating lakes Nos. 10, 15 and 20.

RESERVATIONS

Half of the modern campsites at Victory Lake and Pathfinder campgrounds can be reserved prior to arrival; the remainder are available on a first come, first serve basis. Reservations may be made up to a year in advance of arrival date, and can be made on-line or by phone.

Reservations are available up to a year in advance on a first-come, first-served basis online at www.OutdoorNebraska.org or by calling the Nebraska State Parks Reservation Call Center at (402)471-1414. The Reservation Call Center hours are: Monday – Friday 9 a.m. – 6 p.m.

OTHER INFORMATION

Fires are permitted only in the facilities provided, and removing, defacing or damaging property is prohibited. Flowers, trees, shrubs and other plants may not be cut, picked or carried away.

Dogs must be kept on a leash at all times, and other household pets must be kept under physical restraint. Hunting is prohibited at Fremont Lakes.

PARK ENTRY PERMIT

A valid Nebraska Park Entry Permit is required for all vehicles entering Fremont State Recreation Area or any other Nebraska state park area. Permits are available online at OutdoorNebraska.org or from any Game and Parks Commission office, manned areas and hunting and fishing permit vendors.

SUPPLIES & SERVICES

A concession is conveniently located on the area to provide supplies and services, such as pop, snacks, and bait for visitors. Additional services are available nearby in Fremont. If you need assistance, contact park personnel or a Campground Host.
